General English/IELTS	\$220	Enrolment fee	\$150
EAP	\$220		
Cambridge	\$220	Materials fee every 12 weeks	\$110

Note: A material fee of \$110 every 12 weeks in the same course applies for all our English Language programs. The material fee covers a text book and workbook along with associated electronic resources, the exact combination varies depending on the course. It also includes any additional materials provided by the teacher. These materials are essential to allow students to complete class work, home work and additional personal study. A material fee is charged in advance at the rate of one fee per 12 weeks of classes on the same level. This is the standard rate of progression through a level for the majority of students. If a student progresses at a faster rate or changes to a different course (e.g. FCE to CAE or into IELTS Preparation or English for Academic Purposes), they will be required to pay an additional materials fee for the additional set of materials required for the new class.
